GUEST PASS APPLICATION

In response to necessary increases in school security, we have found the need for Valders High School to establish a protocol for admitting non-students to school dances.

INSTRUCTIONS:

1. A VHS student may bring a guest to the dance only if this form is completed and turned in to the office by noon of the Thursday prior to the dance.
2. Only guests of high school age, or who have graduated within the past year, are eligible to attend.
3. Have your parent/guardian sign the form granting their permission.
4. Give the form to your guest to have it signed by his/her school official.
5. Return the form to the VHS office to have it signed and approved by the principal.
6. Present the completed guest pass at the door of the dance. Guest must have a picture ID available at the door.
7. VHS reserves the right to deny entrance to unapproved guests at dances.
8. Guests that have graduated high school are admitted with the VHS student's parent/guardian signature as an acceptance of responsibility for that guest's behavior.

Please call Valders High School if you have any questions 920-775-9530.
