ATTENDANCE

School District Attendance Policy is described in School Board Policy 5200. Here is an excerpt:

“State law requires the Board of Education to enforce the regular attendance of students. Further, the Board recognizes that the District’s educational program is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

All children between six (6) and eighteen (18) years of age shall attend school regularly during the full period and hours, religious holidays excepted, that the school in which the child is enrolled is in session until the end of the term, quarter, or semester of the school year in which the child becomes eighteen (18) years of age, unless they fall under an exception under State law, this policy, or administrative guideline issued under this policy. A child who is enrolled in five (5) year-old kindergarten shall attend school regularly, religious holidays excepted, during the full period and hours that kindergarten is in session until the end of the school term.” More information available in School Board Policy 5200.

BASEBALL/TRADING CARDS/TOYS

Any baseball, football, or similar types of collection cards are not allowed at school. Electronic games are not allowed at school. Any student bringing such items to school will be reminded of this rule and asked not to bring them back. In addition, we strongly discourage students from bringing any other toys to school. Toys from home will not be allowed on the playground at recess.

BICYCLES

Lower grade children are not encouraged to ride bicycles to school. Older children who do ride bicycles to school must lock them in the bicycle rack near the school. These bicycles may not be ridden on the grounds during any part of the school day.

At dismissal time, children who have ridden bicycles to school must wait in the cafeteria until the buses have left the area in front of the school building. A staff member will escort them out once the buses have left for the afternoon.

Parents should discuss safe bike riding rules with their children who ride bicycles.

BULLYING

Bullying (Policy 5517.01)

Bullying is not tolerated within any of the Valders schools. Bullying is defined as deliberate or intentional behavior using words or actions, intended to cause fear, intimidation, or harm.

Bullying may be a repeated behavior and involves an imbalance of power. Furthermore, it may be serious enough to negatively impact a student’s educational, physical, or emotional well-being. Bullying need not be based on any Protected Class. It includes, but is not necessarily limited to such behaviors as stalking, cyberbullying, intimidating, menacing, coercing, name-calling, taunting, making threats, and hazing.

Bullying behavior rises to the level of harassment when the prohibited conduct is based upon the student’s sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or State civil rights.

Reports of bullying may be made verbally or in writing and may be made confidentially. All such

reports, whether verbal or in writing, will be taken seriously and a clear account of the incident will be documented. Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of bullying is prohibited and will not be tolerated. Making intentionally false reports about bullying for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally making a false report may result in disciplinary action as indicated above. If the investigation finds that bullying has occurred, it will result in prompt and appropriate disciplinary action, including, but not limited to reprimand, suspension, or possible expulsion.

BUS RIDER CONDUCT RULES

The Valders Area School District will provide bus transportation to all qualified students of the Valders Area School District and to all qualified children of the district attending private schools. The School Board and School Administration consider school buses to be an extension of the school, and all rules and regulations concerning student conduct shall be enforced. Failure to observe such rules and regulations may result in the loss of bus privileges.

School Bus Incident Reports are sent to parents informing them of a disciplinary incident.

Bus Conduct Rules

1. Observe the same conduct as in the classroom.
2. Stay in your seat.
3. Be courteous; use no profane language.
4. Keep head, hands and feet inside the bus. Windows will only open half way.
5. Do not eat or drink on the bus.
6. Keep the bus clean. Do not be destructive.
7. Cooperate with the driver.

Extra Information

- A. Bus driver is authorized to assign seats.
- B. Bus rider must be at the bus stop ready to board the bus when the bus arrives.
- C. Bus riders should not move to board a bus until it is completely stopped and the door is open.
- D. Any damage to the bus will be paid for by the rider inflicting the damage.
- E. Report injuries to bus driver immediately.

CLOTHING

Children are expected to wear suitable clothing to school. Please put your child's name on each article of outside clothing. It is important to have proper clothing for the winter months. It is necessary for students to have winter coats, snow pants, hats, mittens/gloves and boots. When the wind chill factor is below zero, students will not play outside.

These items are not to be worn in school at any time:

1. Clothing apparel that has obscene, vulgar or suggestive language or pictures on it.
2. Clothing making references to tobacco and/or alcoholic beverages, or serving as advertisement for an alcohol establishment. This includes any local establishments, or other establishments that earn a substantial amount of income from the sale of tobacco or alcohol.
3. Clothing apparel referring to illegal drugs in the pictures and /or slogans.

COURT ORDERED VISITATION RIGHTS

If special provisions concerning visitation rights have been ordered by the court in divorce cases, **the school must receive a copy of the court order so it can follow the terms of the agreement.**

FEES

Fees are approved by the Board of Education and assigned to students per grade level. Fees may be paid in person at the school office or online. Students in Grade 4 are assigned a recorder (instrument) fee. Fees for field trips are assigned shortly before the field trip.

FIELD TRIPS

These trips are planned in advance. Notices are sent home to parents explaining the trip.

Parental permission slips must be signed and returned to school or the child will not be permitted to participate in the field trip.

FIRE, SAFETY and STORM DRILLS

A loud buzzer designates a fire drill. During a fire drill all children and staff are to exit the building in a rapid and orderly manner. Everyone is to move a safe distance from the building. Teachers take roll call. Safety drills vary. Families will be notified of a safety drill.

Tornado/Storm drills are announced over the public address system. Teachers take their students to an assigned place in the building. Children are expected to sit on the floor, head between knees, and hands on head until the all-clear is announced.

Safety drills can begin in different ways. Families will be informed of planned safety drills.

GUIDANCE AND COUNSELING SERVICES

Group guidance sessions are held for grade K-4 classrooms. Discussions are held concerning personal affective development, interpersonal relationships, family involvement, academic-educational involvement, and career-vocational development. Our elementary school counselor is available for parents and students for consultations. Call the guidance office at 775-9500 to set up an appointment.

HARASSMENT

Student Anti-Harassment (Policy 5517)

The Board will not tolerate any form of harassment and will take all necessary and appropriate actions to eliminate it, including suspension or expulsion of students and disciplinary action against any other individual in the School District community. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our students.

The Board will vigorously enforce its prohibition against harassment based on the traits of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or state civil rights laws (otherwise known as "Protected Classes")

Harassment means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student based on one (1) or more of the student's Protected Class that:

- A. places a student in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Inappropriate harassment of any type must be reported promptly to the Complaint Coordinator, the building principal or the District Administrator. Students harassing others will be subject to reprimand, suspension, or possible expulsion. Involved students may be referred to proper local and state authorities for further prosecution. The Complaint Coordinator is Jason Procknow, Elementary Principal, or Kelly Isselmann, Middle School Principal.

HEAD LICE

Please check your children regularly for lice infestation. Children with head lice will be sent home for treatment. Students will need to be nit and lice free to attend school again per school board policy. A staff member will inspect students and assist to help ensure the child can attend school as soon as possible.

HEALTH EMERGENCIES

All illnesses and injuries should be reported to the school office. Necessary first aid is given when a child is injured. Parents are contacted if additional treatment is needed or the child is uncomfortable. If the injury is serious, the Valders Ambulance is called. The school will contact a parent if your child becomes ill during the school day. The child may be sent home based on school and parental input regarding the health of the child. If we suspect your child is sick, or if your child displays symptoms you will be contacted. If your child requires a pick up, he/she should be picked up within 30 minutes. **Please make a plan that involves someone who is able to pick up a child within 30 minutes.**

HEALTH SURVEY

At registration time, parents are asked to fill out a Health Survey on the online student registration form. This provides us with information for emergencies. Please keep the information on this information up to date (especially phone numbers). Feel free to call the office at any time to make changes. Your children's best interest is everyone's goal.

HOMEWORK

Homework provides a link between home and school. It gives you an opportunity to get involved in your child's education. Encourage and support your child's homework efforts by:

- providing a quiet, well-lighted study area.
- scheduling the same time for homework.
- limiting distractions.
- being available for questions, but remembering the homework is your child's responsibility.
- making sure all homework is finished.
- having your child assume responsibility for bringing and returning homework.
- praise your child for a job well done. Never miss an opportunity to compliment a child. Love and nurturing are key for developmental growth.
- If no homework is given, time should be spent on reading and writing for pleasure, reviewing previous work or working on an upcoming assignment. This should be a regular practice.

INTERNET POLICY

Students will be given an Internet Contract to sign in the beginning of the school year as a part of online registration. Students are to only search areas as defined by the contract. Violations of this contract will result in the loss of Internet usage.

LIBRARY/TEXTBOOKS

Both library books and textbooks are very expensive. All students are encouraged to take good care of them. We *encourage* students to cover their textbooks. We *discourage* tearing and writing/coloring pages in all books. **Families will be asked to pay the cost of the lost or damaged books.**

LOCKING DOORS

Valders Elementary School locks all outside doors. To enter the building, buzz the office and wait for a staff member to unlock the door. We have instituted this locked door policy for safety reasons and after recommendation from the Manitowoc County Sheriff's Department. The safety of all children is our top priority.

LOST AND FOUND

Lost and found items are turned into the office. Lost items are kept in a designated area. Encourage your child to come to the office and we will assist them in checking for any lost items. Feel free to call to inquire about lost items. Please label as many student items as possible. During parent conferences and open houses, lost and found items will be displayed for parent inspection. Items not claimed by the end of the year will be donated to a local charity.

LUNCH HOUR RULES and INFORMATION

All children eat their lunch in the cafeteria. Everyone is expected to follow the same rules. During the lunch period, children are expected to:

- **Be seated while eating.**
- **Eat the food - no throwing or dropping it to the floor.**
- **Speak quietly.**
- **Clean up litter - milk cartons, napkins, and bags are to be deposited in the containers provided.**
- **Raise hand to be dismissed.**

MEAL AND MILK PRICES

Students in the elementary school may purchase milk for the morning milk break on a semester or yearly basis.

Prices for the 2024-2025 school year are as follows:

Elementary student: \$1.75 Breakfast
\$2.35 Lunch

Adult lunch ticket \$4.65

Daily milk can be purchased for 50 cents a day and must be taken out of your lunch account.

The Valders Area school district uses a family based debit account system. Family lunch account deposits are accepted at the Elementary, Middle, and High School offices and are recorded daily.

MEDICATION DISPENSATION

Medications should be administered to school children by parents at home whenever possible. School personnel, following the appropriate procedures, may administer medication when the medication is required during the school day. **Before any prescription or non-prescription medication may be administered to a student, school personnel must receive written parental consent along with the original prescription label.** Please contact the school office for a medication form.

Administration of Medication (State Statute 118.29)

The Valders School Board has also adopted a policy that sets guidelines for the district to ensure compliance with the state law.

- A. Medication must be kept in the office in a secure place.
- B. Instructions for administering medication must be furnished.

- C. A parent and physician consent form must be furnished.
- D. A teacher, secretary, principal or school designee must be present as a witness when medication is given.

While this may seem as an inconvenience to parents and physicians, it is necessary to comply with state law.

See Attachment #2 for an example of Medication Administration Form

MONEY

When sending money to school, please put the money in an envelope. Please write the purpose on the envelope. Please do not allow children to bring large amounts of money or expensive items to school. We cannot be responsible for the loss of these.

PARKING/ PICK UP AND DROP OFF PROCEDURES

Before and after school, parents should enter/exit at the cafeteria parking lot. Drop off before school and pick up after school must be done in the cafeteria to ensure the safety of our students. During school hours, please park at the school office on Wilson Street.

PETS

Pets are not allowed at school. If a teacher requests a visit with pets for educational purposes, please arrange for a visit with the principal to ensure the safety needs of our students.

PARENT TEACHER ASSOCIATION

The Valders Elementary Parent-Teacher Association functions:

-To involve parents, teachers, students, grandparents, school officials, business people, government officials, senior citizens, single people, couples without children.

-To provide parents and teachers with a way to share experience and knowledge about children. PTA works with principals, superintendents, school boards and your community to make sure your concerns are heard and needs are met.

<p><u>2024-2025 School Year Officers</u> President – Raeline Saari Vice-President – Pauline Gonnering Treasurer – Amy Ashworth Secretary – Angela Zipperer</p>

RECESS

Children are expected to go outside for lunch recess and afternoon recess. If it is raining or too cold, students remain indoors. A physician's excuse is required if a student needs to miss recess for medical reasons.

RECORDS REQUEST/CURRICULUM REVIEW

Parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of a student. The parent will have access to the instructional material within a reasonable period of time after the request is received by the building principal. Additionally, any individual(s) having a legitimate interest in the staff, programs and operations of this District shall have the right to present a request, suggestion, or complaint to the District and the Board of Education. This topic is defined in School Board Policy 2416 and 9130. Please refer to them for further information.

RELEASE OF INFORMATION

State law allows for the school to publish and release certain information about your student without your consent unless you have requested in writing, that we do not. Specifically, what we can release about your child is: date of birth, participation in activities, dates of attendance, photographs, awards, and the name of the school most recently attended. There is a section on the registration form which will allow you to exempt your child from the law that allows us to release the above information.

RELIGIOUS BELIEFS

The Board of Education recognizes that a course of study or certain instructional material may contain content and/or activities that some parents find objectionable due to religious and/or other beliefs. This topic is defined in School Board Policy 2240. Please refer to it for further information.

REPORT CARDS/CONFERENCES

Each year special days are set aside for parent-teacher conferences. These are scheduled through Skyward.

The purpose of parent- teacher conferences is to give parents and teachers an opportunity to share their views concerning the welfare and progress of the child. Parents and teachers may also request additional conferences if they so desire.

Report cards are issued quarterly. They may be viewed through Skyward.
